

## SPEAKING ENDORSEMENTS

**A Kid's Guide to Birding**

"Wow! What a crowd you had for your bird walk – and so many kids too . . . Thank you so much for being an important part of Bird Fest this year. Thanks to you we had the largest number of children coming to Bird Fest ever! I think having you on the program made a big difference."

—**Susie Schaefer**

Puget Sound Bird Fest

Lorenzo did a marvelous job presenting his photography and his book to our Audubon group of children and adults. He has incredible poise and knowledge accompanied with excellent photographic skills and enthusiasm for his subject. I would not hesitate to have him return again for another presentation.

—**Kathleen Snyder**

President, Pilchuck Audubon Society

You were truly amazing! The kids and teachers could not stop talking about you! . . . confident, intelligent, personable, well-spoken, and accomplished . . . Thank you for your amazing presentation.

—**Dianne Borchert**

Librarian, Wellington Elementary

Today the second grades had the privilege of watching a Power Point by Lorenzo Rohani on his book, *A Kid's Guide to Birding* . . . it is an excellent guide for your child to continue their birding interests. Lorenzo kept four classes spellbound for 40 minutes.

—**Diana Lyons**

Teacher, Wellington Elementary

I was so impressed with Lorenzo's presentation to my Kindergarten class! I have been telling everyone I know about you and your book. The kids were absolutely engaged and excited to hear all about birding. He handled all of their questions with expertise and care. Thank you for enriching our Kindergarten year!!
